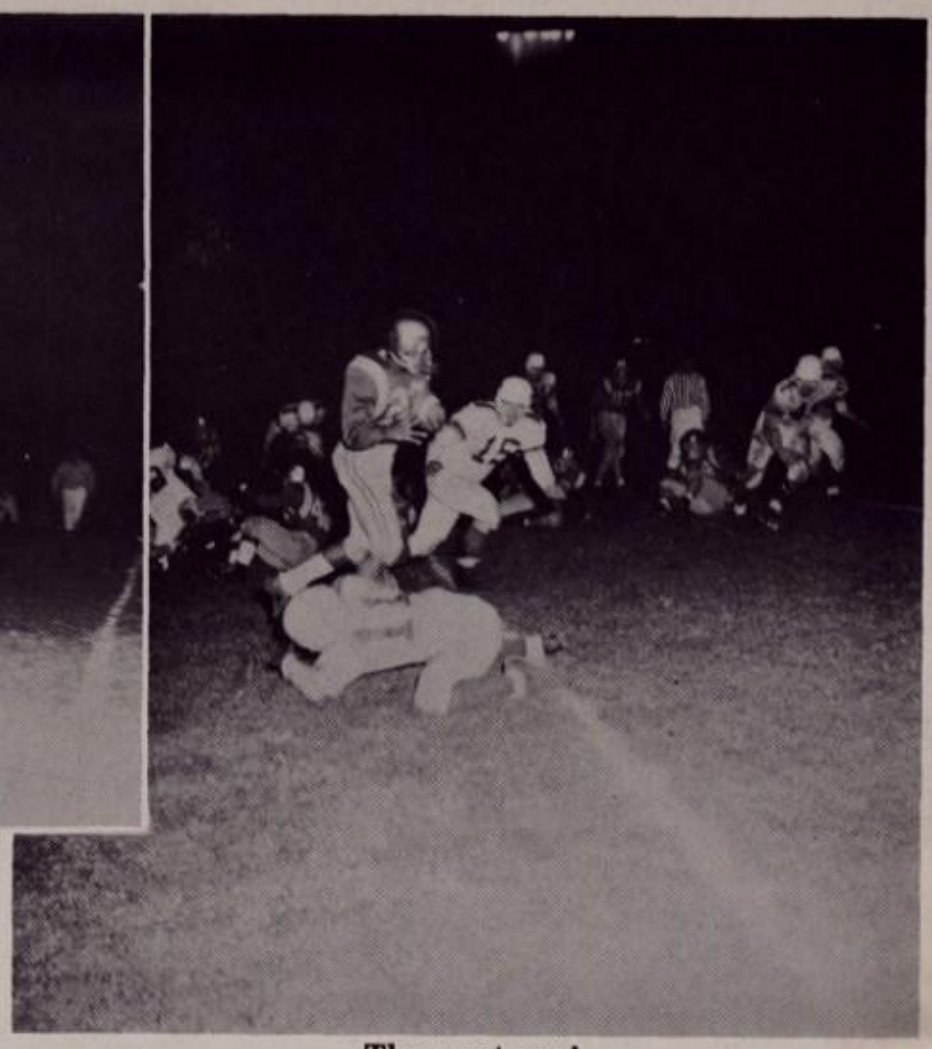
Catch me, if you can!



They got me!

Though inexperienced, the Grant Pacers started the football season by winning their first game against Berkeley, one of the promising teams in the Bay Area.

Their hopes for a successful conference season were soon dampened by the 49-0 victory of the Sacramento Dragons and also a 25-13 loss to the McClatchy Lions.

Best exhibition was against Lodi when they lost by a close margin of 13-12.

The team had only three returning lettermen which was a handicap to their capability.

Choo Choo rolls on.

Help, ref!
